

Presentation of IMIP project by Salvador Gilabert Sanz (UPC) at the Forestry Speed Dating, organised by EFI Bioregions with the support of Innovawood and Xylofutur on the 27th of January.

Forestry Speed Dating are regular webinars that are organised by [EFI Bioregions](#) with the support of [Innovawood](#) and [Xylofutur](#). They aim to promote innovation in timber construction.

On the 27th of January, the session was dedicated to wood-based insulation. The IMIP coordinator, Salvador Gilabert Sanz, could present the cork-based panels. 35 participants from Europe attended the session. The video is now available here: <https://www.youtube.com/watch?v=3RaiCnaUWf8&feature=youtu.be>
